For the 24<sup>th</sup> Annual Digital Landscape Architecture Conference, you are cordially invited to submit an original, unpublished presentation in poster format. Your passion is fueled by experimental communication of your work, while exploring the boundaries of digital techniques in landscape architecture! Then Visions for the Future Student Poster Competition provides you with the opportunity

you seek! Landscape architecture students and recent graduates (last two years) are welcome to showcase their work by submitting a poster presenting landscape architecture visualization techniques. A jury of conference participants will choose the winning submissions. All posters will be exhibited and published. Registration is available at [www.hs-anhalt.de/dla](http://www.hs-anhalt.de/dla) or use the QR code below.
