

EU Green Deal **On the Green Move**

- SoGreen declaration “On the Green move”
- Youngster “Call of the future for a healthy and prosperous world”
- “EU Green Deal”
- Stefan Leiner “EU DG Environment and EU Green Week 2021”
- Sirpa Pietikäinen “ The importance of urban and green infrastructure”
- All SoGreen partners: ‘testimonials’ from the professional field, with the importance of the association for **The living green movement**. A committed lecture strongly emphasized in collaboration with national and international associations and the living green movements. Speakers from 7 different countries about 7 different aspects of the living green on Nature Based Solutions.
- Related to the **EU Green Week 2021** with the opportunity to engage with all stakeholders and interested citizens on how we can work together to make the ambition for a zero pollution and toxic-free environment a reality.
